The advice that makes the difference

## Your Natural Partner

### The Vision

By getting its characteristic inspiration from the emblematic spirit of the 21st century, “The International Consultant Law Office” (ICLO) is aiming to be the “natural partner” of the investors in the future.

The combination of changes anticipation and adaptation to innovations is our way to be the closest to your concerns by providing you with accurate solutions in a shifting world.

Consequently, we highly commit ourselves to pay attention cautiously to your expectations and be the most truthful in advising you.

And, in an era in which “the idea” is becoming a precious wealth, we prefer to establish with our clients a strategic partnership in which they will continuously get the best ideas and advices.

Our awareness of the specificities of the globalization and the post-industrial economy, makes it our commitment to protect your interests by the most appropriate legal tools.

We pay a special attention to the international legal changes and their impacts on the interests of the local investors; that’s why we intend to strategically bridge the “local specificity” with “global necessities”.

Our vision in “The International Consultant Law Office” (ICLO) is that the legal services are a real opportunity to consolidate your business success and to maintain your leading position in the most developed century in the History of the Humanity.

# The Culture of Preventing Legal Issues

## The Message

Someone may ask: what distinguishes “The International Consultant Law Office” (ICLO), except the modernity of its vision?

The Answer is that the modernity of the vision conducted us to adopt a modern message different from the classical approach assimilating law to litigation.

In the field of the legal services, the classical approach is built around “resolving problems”, but our innovative approach is deeply inspired by “anticipating problems”

Our message is to bring you the best solutions in the shortest delays and in the most excellent ways. That’s why we choose “The Advice that makes the difference” as a slogan to emphasize our commitment to deliver you the solution, all the solution and nothing but the solution.

The culture of legal issues anticipation is our leitmotiv to provide you with the appropriate solutions that will reduce litigations risks, protect your economic interests and strengthen you in front of your direct competitors.

# Adapting the Local Market Specificities to the Global Market

## The Strategy

In our message we set up the framework of our partnership with you; the strategy of “The International Consultant Law Office” (ICLO) will provide to this message the appropriate content.

To achieve this objective, we choose to synchronize the local specificities with the advanced internationalization of the markets.

In our global strategy we choose to pay a particular attention to the legal fields in connection with the most prosperous sectors serving the economic upturn of the United Arab Emirates in particular, and the other Gulf States in general. Our target is to transform the Globalization context into a safe opportunity that will allow you to develop and prosper outside UAE in the most advantageous areas.

## Competence in Common, Fast Growing and Niche Market Legal Fields

### **The Activities**

Our major aim in “The International Consultant Law Office” (ICLO) is that our legal services reflect your economic positioning and orientation. That’s why we opted in our administrative organization for a structure of specialized departments shaped to serve your economic growth inside UAE, and oriented to help you to develop safely worldwide.

Consequently, we set our fields of expertise to encompass, in addition to the Common legal fields (such as the International Contracts Law, Business Law, Companies Law ...), the fast growing fields (such as Energy, Infrastructure, Construction, Aviation, Industrialization, International Investments, FIDIC Contracts, International Conciliation and Arbitration...) and niche market fields (such as Medical Responsibility, New Technologies, Sports, Media, Environment, Tourism, Luxury and Private Funds management...).

# Tripartite Legal Services Package

## Legal Services

The Objective of “The International Consultant Law Office” (ICLO) is to provide a new generation of legal services in Abu Dhabi by a cumulative approach targeting simultaneously the national and the international transactions of our clients.

Nationally, our law office will lead the way by providing a pioneer tripartite package of legal services made of “Office services” carried out to our clients in our headquarter in Abu Dhabi; the “Flexi Services” provided to our clients on site upon demand and “Digital Services” provided throughout our network to the affiliated clients.

Our office will also provide to our distinguished clients a supplementary package of integrated services in financial, administrative and economic fields. The objective is to strengthen our new approach investing in long term relation anticipating the expectations of our clients and meeting their aspirations.

## Legal Services fitting Abu Dhabi's Development Plans

### **Abu Dhabi 2030 Vision.**

Departing from its strategy to customize the platform of its legal services with the economic map of Abu Dhabi, "The International Consultant Law Office" (ICLO) was a market leader in dedicating an important part of its legal offer to Abu Dhabi Economic Vision 2030 by processing a new generation of legal services matching the needs of the megaprojects that will be realized all over the Emirate of Abu Dhabi in the next 20 years.

"The International Consultant Law Office" (ICLO) is planning to be a major law services provider for the young Emirati entrepreneurs that are or will be part of this promising national development plan by creating small and medium size businesses designed to serve this plan and to grow with.

## Expertise in International Commercial Arbitration

### **Arbitration**

Given the distinguished place allocated by UAE Laws and Abu Dhabi Economic Vision 2030 to arbitration as an efficient and trustful procedure to resolve the commercial conflicts according the highest international standards, we opted in “The International Consultant Law Office” (ICLO) for providing our clients with the quintessence of our national and international expertise in arbitration.

We will be honoured to offer them the best expertise of this reputable procedure in advising, pleading and executing in order to safeguard their present and future interests nationally and internationally.

## Establishing Multilingual Departments

### **The International Network**

The distinctiveness and the modernity of the legal fields in which “The International Consultant Law Office” (ICLO) is specialized, requires building a distinguished team cumulating an important international experience and a deep-rootedness in the major legal cultures and languages. This advanced vision facilitated to our law firm to enter in professional partnership agreements with leading legal firms in Europe, America and East Asia.

Meanwhile, our law office is working according a pre-established timetable to set new international departments that will bring a real added value to the legal market in UAE in special and in GCC in general.

# Complementary Paralegal Services

## **Complementary Services Package**

Inspired by its practical approach of delivering a comprehensive package of complementary legal and paralegal services to its clients, the aim of “The International Consultant Law Office” (ICLO) is to help its clients to save money and time through a one-stop-law-office-concept.

In view of that, we provide a verity of para-legal services such as translation, certification, registration services and complementary services such as administrative, financial and economic services.

We will go to the  
most remote point  
in the globe to be  
the closest to your  
interests

### **Distinguished Team**

We speak today in “The International Consultant Law Office” (ICLO) Arabic, English, French and Italian. And we are planning to add to our panel other international languages to serve you as you deserve inside and outside UAE.

In parallel, we are extending our network to include partners and experts from UK, France, United States of America, Japan, China, South Korea ... because we keep ourselves permanently guided by our commitment to go to the most remote point in the globe to be the closest to your interest.

# The best of Professionalism and Specialization between your hands

## **Legal Expertise**

The field of legal expertise of “The International Consultant Law Office” (ICLO) encompasses a verity of areas that include rare and new legal specializations. These specially customized services are proposed according an anticipatory approach to meet the expectation of the national fast growing market.

And, through this new perception in proposing legal services, “The International Consultant Law Office” (ICLO) is committing itself to be in harmony with the new approaches in the international legal market in a proactive way. Our final purpose is to establish the well-built ground rules of a lifetime relation with our honourable clients based on full trust and high professionalism.
